A Complete Management System for Your Business

Since 1997, most of our new features have been drawn from our customer base of thousands worldwide. Now working in every type of retail application imaginable, **Biztracker Infinity®** is a rugged, dependable system that can be scaled from a single store to an enterprise of hundreds of stores worldwide.

The secret to **Biztracker Infinity®** success is our ingenious blend of power and simplicity. It's so easy-to-use that a cashier or clerk can be trained in fifteen minutes.

Powerful back office functions makes it simple for you to watch, print and analyze every business detail. Biztracker Infinity gives you the controls to cut your operating cost, boost your revenues, and the freedom to relax and focus on the growth of your business.

Biztracker Infinity® is used in all types of business including:

- Auto Dealerships
- Convenience Stores
- Clothing Stores
- Liquor Stores
- Museums
- Zoos

Biztracker Infinity® is a versatile and valuable tool for any arena, including mixed businesses that have wholesale and retail environments.
